

# THE B!G iDEA

Multi Award Winning TY Creative Thinking programme with Industry Mentors! Get your TY class Thinking B!G on co-created briefs working on issues that matter to them.

FREE to schools, parents and students, our national programme has been developed by industry and education experts.

The B!G Idea has been created to give students the ability to Think B!G, creating solutions to B!G challenges.

Mentored by industry professionals across Ireland, your students will learn the most in-demand skills in the world.
